

## News and updates from LS Retail

### EVENTS

### conneXion 2024 - Register now and save up to €400!

Registrations for **conneXion 2024** are open now! Early Bird prices are available until Dec. 15, 2023 so you still have a chance to save up to €400 pr. ticket.

We have also opened a page that offers [accommodation at a special price](#) during the conference days. **Note** that May is already tourist season in Iceland and hotel prices will only go up from now on. Better safe than sorry, so please book your accommodation in time!

Join us in Reykjavik, Iceland on May 13-15 for three days full of learning, networking, collaboration, and innovation.

[Register today](#) and be a part of this amazing event.

### PARTNER OPERATIONS

#### Streamlining posted invoice process

As part of our ongoing efforts to optimize and streamline our processes, beginning December 1, 2023 we will change how we notify our partners of posted invoices and how to manage email notifications to receive copies of the invoices.

##### For Licensing:

We will discontinue sending out emails notifying partners about posted Enhancement Plan (EP) Renewals. Instead, licenses that are opted-in for automatic EP renewal will be automatically Invoiced 10 days prior to the EP date. Corresponding invoices will be visible in the LS Retail Business Hub as well as the Customer License Value.

##### For Consulting, Accounting, Academy and POPS:

We will discontinue manually sending out all invoices via email. Invoices and supporting documents can be found on Business Hub.

##### New functionality:

Automated email notifications for all posted invoices. This option needs to be specifically requested by the Business Hub Admin in the Business Hub and will become available in the coming weeks. This new functionality provides you with the option to receive PDF copies of posted invoices from LS Retail.

**To opt in** for this option, the Business Hub admin logs into Business Hub. Under User Management/Partnership Contacts/Operational Contacts, make sure the "Invoices" option is ticked. Although this option will be released in the coming weeks, you can send an email now to [pops@lsretail.com](mailto:pops@lsretail.com) to request access. Business Hub offers a comprehensive overview of invoices from all departments. It is the responsibility of the partner to make sure that all relevant contacts within their organization have the correct access to Business Hub.

If you have any questions please contact us at [pops@lsretail.com](mailto:pops@lsretail.com)

### DEVELOPMENT

#### Analytics for LS Central - Webinar series in progress

A quick reminder! We have already posted a link to recordings of our first two of three detailed webinars on Analytics for LS Central on our [Portal Webinar](#) page. One is still to go and if you want to join, please find out more and register [here on the portal](#).

Between 130 and 160 partner contacts registered for the first two sessions, which were a great success. Even if you cannot join the final session live, please feel free to register and we will send you a link to the recording and presentation to study at your convenience.
