PARTNER OPERATIONS

LS Retail Business Center updates launched

We are thrilled to announce some exciting updates and functional improvements to our Business Center, designed to enhance your experience and streamline your operations. We have made significant changes to the site's look and functionality, and we are confident that these updates will greatly benefit your daily business activities. Some of the key improvements are:

- **Home page with customizable columns**
- **Account Information split into three sections**
- **Enhanced Customer Dashboard**
- **Improved Invoices Section**

We believe these enhancements will greatly improve your experience within our Business Center, allowing for smoother navigation and better access to relevant information. Should you encounter any issues or have any questions, please don't hesitate to reach out to pops@lsretail.com for assistance.

Naming contest - new name for the Business Center

In a recent newsletter, we reached out to you for suggestions for a new name for the recently updated LS Retail Business Center (see above). The current name tends to be confused with *Business Central*.

We have now compiled a list of suggested names and ask you to vote for your favorite among them. You have to act fast if you want to participate since we will close the vote on 30 July. The owner of the selected name will get a prize!
